DAKINE GRAVITY ENDURO
Cardrona Alpine Resort
Saturday 6th January 2024

EVENT DESCRIPTION: At Cardrona our aim is to stay true to our roots and offer 100% lift assisted downhill racing for strong intermediate to advanced enduro and DH racers. The Gravity Enduro includes 5 stages which racers can lap for 1.5 hours before the moving onto the next stage. All racers have time for a look lap then 1-3 race runs in each stage when they're warmed up and ready. The fastest time from each stage is combined to determine the results with podium and spot prizes for Rookie and Elite divsions.

HOW TO ENTER
Competitors can pre-register online or enter on the day before 9.30am.
Event entry is $35
Discounted competitor lift passes –
Adult $60
Child $30

Note: All competitors must have a valid lift pass for the day to compete.

ENTRY DIVISIONS
Rookie (3 stages only (limited to strong Blue Trails)
Elite (5 stages includes black and Blue Trails)

RACE FORMAT
There are 3 stages for Rookies and 5 stages for Elite racers. Rookies can complete up to 3 timed runs in each stage however Elite can only complete 2 stages (limited time stamp storage) All riders are recommended to complete a look lap and then simply tag their transponder to start racing. Riders must race the marked trail only and short cuts will result in disqualification. The start and finish of each stage is marked with a flag and Beacon. The Beacon will beep to confirm the time stamp has been registered for the start and finish. Transponders MUST be returned after the final race stage to calculate the overall results.

EVENT SCHEDULE
8.45am - 9.30am	Registration in the Ticket Office
9:50am	Rider's briefing in the Courtyard
10am – 11:30	1st 2 stages open for practice or racing
11:30 – 2pm	Remaining stages open for practice and racing
2:30 – 3pm	All transponders & race plates returned to ticket office
4pm	Awards in the Lounge café

AWARDS
Awards will be presented for 1st - 3rd in each division. Spot prizes will be drawn from race plate numbers which must be returned along with transponders. Results will be posted on the Facebook event and online at cardrona.com/events

RACE NOTES
Competitors must self-seed to start with a minimum of 30 sec intervals (1 min for slow riders)
Some stages are open to the public so please be courteous and safe
Slower riders should yield if faster riders are approaching
Approaching riders should call "Racer Approaching" to pass
Racers must "Tag" the transponder to start and finish to record your times
Racers are responsible for all start and finish transponder timing
Transponders & race plates MUST be returned before 3pm
