ADAPTIVE LESSON

Private Ski & Snowboard Lessons

Cardrona's Adaptive programme provides support for people with physical, sensory & cognitive impairments. With instruction provided by experienced & qualified adaptive instructors, specialist equipment to hire, complimentary on-snow assistance by our team of trained volunteers, & accessible facilities, the Adaptive programme ensures there is no limit to enjoying the freedom of skiing & boarding with your family & friends.

We recognise the extra cost often involved in adaptive snow sports so we offer some great deals to members of Adaptive Snow Sports NZ. To become a member, please visit www.snowsports.co.nz.

The Adaptive programme is part of the Cardrona Ski & Snowboard School. It is essential that you book in advance to guarantee the support you require is available. Please contact our Adaptive Coordinator to find out more at adaptive@cardrona.com.
