

BIKES_{ON} SNOW

Saturday, July 31, 2021

CARDRONA

ALPINE RESORT / NEW ZEALAND

COMPETITOR INFORMATION

As a summer mountain bike park why wouldn't Cardrona host a winter mountain bike race...on snow. Mountain bikes on snow mass start first to the finish race from the top of Whitestar Express down the Gravity-Cross course, finishing at the resort base area beside the Chondola. Racers get a single practice run on the course before they line up for a mass start and race to the finish. Warm clothes, gloves, goggles and full-body protection are recommended, and a full-face helmet is mandatory.

COURSE DESCRIPTION

The course starts beside the Whitestar Chairlift accessed from the Chondola. The course follows the gravity-cross course which is visible for spectators and racers as they ascend the chairlift. Racers must ride around the correct side of the triangle gates. Anyone cutting the course will be disqualified. The race merges with Branchline trail which returns racers to the base area and finish line.

HOW TO ENTER

Riders can enter on the day or pre-register online at cardrona.com/events.

Entry division include: Open Men & Open Women.

Entry Fee: \$35 (includes 2 uplift passes for the Chondola) or \$15 for Pass Holders

EVENT REGISTRATION

Competitor race plates can be collected from 8:30am - 9:30am on the competition day in the Slopeside ticket office on mountain. All Mountain bikes MUST be cleaned prior to riding on snow. Bike scrutineering will be completed at registration. Bike not fit for purpose will not be permitted to race. No studs, or spikes permitted. Maximum tyre size is 3.0

RESULTS AND AWARDS

Prizes will be awarded for 1st - 3rd for both divisions. The Awards presentation will be located beside the demo fence, 10 minutes after the race finish.
