ARMADA TREBLE CONE KIDS TRIPLE COMP

TREBLE CONE SKI AREA, WANAKA NZ

SATURDAY, SEPTEMBER 28th, 2024

EVENT DESCRIPTION

Long-time Treble Cone skiers and boarders will remember the Treble Cone Triple Comp. The event included an expression session, a kombi Slalom through the bumps, followed by a Darby down the Powder bowl, and that's exactly what our junior competitors will do this year. This event is suitable for strong intermediate skiers & Snowboarders who can ride off-piste and in bumps.

EVENT FORMAT

The day starts off with Slalom racing down the off-piste before the competition moves across to the Gun Barrel for the expression session. After lunch all competitors race in a Darby which is an open GS course set down the Skite Trail or Powder-bowl. The Darby is a mass start race to the finish however to avoid carnage competitors will race only in their age divisions. The event is timed and judged with combined results determining who steps onto the podium at the end of the day.
